Résumé Professionnel

Passionate Software Engineer with 2 years of experience in full-stack development and artificial intelligence. Skilled in designing and building high-performance, user-centric applications, I bring expertise across a wide array of modern technologies to deliver innovative and scalable solutions. Self-driven, detail-oriented, and committed to excellence, I excel at turning ideas into impactful digital products.

Expérience Professionnelle

Full-Stack Software Engineer, *Confledis*   06/2025 – Present
Paris, Île-de-France, France

- Designed and developed hybrid web and mobile applications using Angular (front-end) and Ionic.
- Built secure and high-performance RESTful APIs with Symfony (back-end).
- Implemented advanced features such as authentication, user management, and real-time interactions.
- Deployed secure cloud infrastructures using AWS Amplify, including push operations and repository cloning.
- Created responsive, modern user interfaces to ensure optimal user experience.
- Wrote unit tests and technical documentation to guarantee code robustness and maintainability.
- Collaborated in Agile environments, using Git for version control and Jira for project management in coordination with stakeholders.

Full-Stack Web Developer, *POEMGROUP*   07/2024 – 10/2024
Tananarive, Madagascar

- Developed an Uber-like application using Vue.js (front-end) and Laravel (back-end).
- Implemented modules for authentication, booking, real-time tracking, and payment processing.
- Integrated WebSockets for instant notifications.
- Designed a modern, responsive, and fluid user interface.
- Authored technical documentation and presented the solution to stakeholders.
- Managed version control with Git and organized tasks using Trello.

Full-Stack Web Developer – MERN Stack, *DPOINTGROUP*   02/2023 – 06/2023
Barcelone, Espagne

- Developed an e-commerce website using React.js, Node.js, Express.js, and MongoDB.
- Integrated core features such as shopping cart, order management, and product handling.
- Implemented unit tests to ensure code quality and reliability.
- Utilized Git for version control, organized tasks with Trello, and worked within an Agile methodology.

PHP/Laravel Developer, *DESIGNET Web Agency*   06/2022 – 10/2022
Nabeul, Tunisia

- Developed dynamic websites using Laravel, PHP, JavaScript, and MySQL.
- Participated in the design, coding, and functional testing phases.
- Collaborated within a team using Git for version control, Trello for task management, and ensured project deadlines were met.

Formation

Engineering Degree,
Private Higher School of Technologies and Engineering – TEK-UP ↗

10/2023 – 06/2026
Ariana, Tunisia

Bachelor's Degree, *Higher Institute of Computer Science and Multimedia*
Specialization**:** Computer Science and Multimedia

09/2020 – 06/2023
Sfax, Tunisia

Compétences

Programming Languages
Java, PHP, Python, SQL, XML/XSL

Mobile Application Development
Flutter, Android (Kotlin), ReactNative

Interpersonal Skills
Project Management SCRUM, Agile Methodology,
Agile Development Practices
Soft Skills Attention to Detail, Problem Solving,
Verbal Communication, Organizational Skills,
Teamwork, Friendly and Approachable Attitude

Web Development
Front-End Development
HTML, CSS, JavaScript
Frameworks & Libraries: React.js, Angular, Vue.js,
Svelte, Bootstrap, Tailwind CSS, jQuery

Back-End Development
Frameworks & Tools Symfony, Nodejs , SpringBoot ,
Laravel
Cloud & DevOps Docker, RESTful APIs, SOAP, Git,
CI/CD, Version Control Systems
Databases MySQL, PostgreSQL, MongoDB
Software Development Object-Oriented
Programming, Clean Architecture, Design Patterns,
Unit Testing, Integration Testing, Scalability

Langues

Arabic
Native/Bilingual

English
Fluent

French
Fluent

Projets

Restaurant Website with Client and Delivery Service Integration
Angular, Symfony, AWS Amplify, Docker, Ionic

Event Management Application
Spring Boot, Thymeleaf, Spring Security, MySQL

Carpooling Application
Angular, Node.js, Express.js, MongoDB

E-Commerce Website – E-Shopper
React, Node.js, Express.js, MongoDB

Training and E-Commerce Management System
Symfony, Twig, MySQL

Certificates

- AWS
- Scrum Master
- TOEIC/DELF/DALF

Bénévolat

AIESEC El-Manar - Tunisia, *OGT Member*

09/2024 – Present

Tunisian Scouts Association, *Team Leader*

2011 – Present

ISIM Sfax Club, *Founder*

10/2021 – 04/2023

Korba Youth Center Film Club, *President*

06/2020 – 02/2022
